

WEATHER or CLIMATE WORKSHEET

1. What is weather?

2. What is climate?

3. What is the difference between weather and climate?

Put a “w” if it is weather condition and a “c” if it describes a climate condition

- _____ Today it is to get to a high of 85°F.
- _____ The rainfall for yesterday broke the record for 1923.
- _____ The month of July is usually very humid in Michigan.
- _____ It was an unseasonably warm winter this year.
- _____ It was very gusty this afternoon. So we flew a kite.
- _____ It is supposed to snow all week.
- _____ We wanted to go to Hawaii in May, but it is their monsoon season.
